-

WORK EXPERIENCE

Willow Health Services Inc. [Startwillow.com](https://startwillow.com) — Data Analytics Intern

Remote | January 2026 – Present

- Analyzed user and product data across Mixpanel and Metabase, surfacing shipping trends that informed escalation of 500+ delayed packages and improved fulfillment visibility across the operations team.
- Maintained 3+ recurring reports weekly across multiple data sources, building SQL dashboards and Google Sheets reports adopted by the team for daily data-driven decision-making.

- Built a daily cohort report visualizing shipping status trends and performance percentages over time, shared with operations and leadership teams for consistent visibility into order progress.
- Maintained a daily cancelled order tracking report consolidating data from Airtable and Willow Admin, surfacing order exceptions and reporting findings to the team for faster issue resolution.
- Organized and categorized 50+ marketing advertisement assets monthly across Airtable and Dropbox, standardizing naming conventions and routing materials to the correct destinations.
- Developed an AI-powered automation agent that autonomously retrieves tracking links, populates shipment statuses, and calculates days-in-transit in Google Sheets, eliminating a fully manual process and saving an estimated 35 minutes per day.

Starbucks, Winston-Salem, NC — Barista | Dec 2022 – Present

- Delivered consistent customer service in a high-volume environment while maintaining quality and efficiency across hundreds of daily orders.
- Trained and guided new team members on drink preparation and POS system usage.

Ketchie Creek Bakery, Clemmons, NC — Team Member | Jul 2019 – Jul 2022

- Prepared fresh, made-to-order food and beverages efficiently while maintaining a welcoming and clean environment.
- Designed promotional materials and displays to drive customer engagement.
